# High Praise for Canada's Kitchen + Bath Designers

By Geeta Kewalramani CKD, CBD of Kimaya Designs, current NKBA Ontario Chapter Treasurer

**W**earing their finest attire and glamorous masks, designers attended the 2012 Annual NKBA Design Awards Gala in February at the Capitol Events Theatre. It was a Masquerade Gala event with over 180 kitchen, bath and design industry members in attendance, several of whom had adorned the most creative and unique masks in the hope of winning the Best Mask Prize. The event commenced with a cocktail reception followed by an exciting aerial silks entertainment performance.

Kitchen and bath designers from Ontario, the Prairie Provinces and British Columbia submitted their best designs in categories including: kitchens, bathrooms, other rooms, promotional display/showrooms, green kitchens, green bathrooms and sustainable products, and were judged by a panel of Certified Kitchen Designers

and/or Certified Bath Designers and industry experts.

This year marked the first-ever Cash Award presented at the NKBA Ontario/Canada Chapter Design Awards with a Cash Award of 2,500.00 to the Pinnacle Design Award Winner. The 2012 Pinnacle of Design Award, selected from all of the first-place winners in each category as the best overall design of the competition, was awarded to Charline Beaulieu of Beaulieu Design (Ottawa) for her First Place entry in the Medium Kitchen Category.

Other awards presented at the gala included: the Hall of Fame Awards, which recognize extraordinary individuals who have contributed to the kitchen and bath industry and the NKBA Ontario Chapter; Sales Person of the Year Award; Volunteer of the Year Award; and the Chapter Growth Award.
