

**Jane Lockhart**, B.A.A.I.D.  
Founder & Principal Designer  
Jane Lockhart Interior Design

Award-winning designer, television personality, spokesperson and author, Jane Lockhart is one of Canada's leading experts in the world of design and colour. Jane is immediately recognized across the country as host and creative director on her own television series, *Colour Confidential* on W Network and HGTV (US), by her appearances as guest speaker at many home and design shows throughout North America and on national TV shows including CTV's *The Marilyn Dennis Show* and City TV's *Cityline*.

Since graduating from Ryerson's Interior Design program, Jane has never stopped building her brand. She founded her design firm, Jane Lockhart Interior Design in 1997, the firm continues to design, brand and renovate spaces for retail, hospitality, homebuilders and residential clients across the GTA. With a growing team of designers, planners and managers, Jane's business continues to expand. Jane has branded her sense of design, colour and style through two personal lines of furnishings. The **Jane Lockhart Platinum Series** is a Canadian-built, eco-conscious, luxury furniture collection created for the design and architectural trades. Jane launched her equally popular Canadian-built collection, **Jane by Jane Lockhart** by Statum Designs in 2012. New collections are added every year and both lines are available at a growing number of major and independent retailers across Canada. Jane's furniture collection can be seen by appointment only at SOFA (Source of Furniture and Accessories) at the International Centre on Airport Road in Mississauga.

She is a regular contributor to many publications including the *Toronto Sun*, *Homefront Magazine*, and *Canadian Home Trends*. Her design work is regularly featured in national publications in Canada and United States including *Canadian Living*, *Style At Home* and *This Old House*. Her work has been recognized nationally with multiple awards from the National Kitchen and Bath Association and she received a national B.I.L.D. award for best design and décor of a model home for her work with the Kylemore Community development at Angus Glen.
